

ALTAVINS ILERCAVONIA

V. ALTAVINS

GRAPE VARIETIES

100% Garnatxa Blanca.

SOIL

The soil contains varied textures that are rich in calcareous rocks, which provide excellent drainage, and poor in organic matter.

VINIFICATION

Manual harvest in box and pallet. 2 months aging in bottle.

THE VINEYARDS

Overlooking the town of Batea the vines sit between 350 and 550 metres above sea level flowing in flat plateaus, hills and valleys. It is characterised by a dry Mediterranean climate with low rainfall, between 350 and 450 mm/year, abundant sunshine and two dominant winds; El Cerç, which comes from the interior and El Garbí or sea wind, which comes from the coast.

TASTING NOTES.

White wine with a golden yellow hue and greenish tones. Complex aromas reminiscent of pineapple and mango with notes of apple and apricot. Unctuous, long and persistent on the palate with hints of minerality. The finish culminates in white flowers and fennel, balanced, powerful and elegant. Long and persistent on the finish.
