

VIBE PARSIMONIA CRIANZA

BODEGAS VIBE

GRAPE VARIETIES

Cabernet Sauvignon, Merlot

SOIL

Clay-rich soils

VINIFICATION

Selections of grapes in optimum ripeness, stemmed and crushed, are subjected to maceration and fermentation processes for fifteen days.

Aged in American and French oak barrels for seven months.

VINEYARD

The vineyards are located 700m above sea level and between the plateau and the Mediterranean sea which provides them perfect conditions for the production of well-structured wines with a marked character that is an expression of the soils, climate and the variety coupled with careful elaboration.

TASTING NOTES.

Deep ruby in colour with a very elegant aroma dominated by red and black berries and cherries, with chocolate and balsamic nuances.

Full bodied with perfect integration of its tannins that result in a well-balanced wine with a persistent long finish.
